The personal use of this font is free.

If you want to use this font for commercial use, including non-profit, please contact us with your request: ***https://ustulo.com/support/***

What is personal use ?

Examples include; your personal website / blog (provided it doesn't sell anything, display adverts or generate any income), your school homework / course work, your own birthday invitations (made and printed by you) and family scrapbooks.

What is commercial use ?

Anything that is non-personal, related to business or anything that is sold (including non-profit). Examples include; marketing websites, logos, business cards, letterheads, brochures, leaflets, posters, merchandise, t-shirts, books, magazines, retail packaging, advertisements, tv broadcast and movie credits.
